ABOUT US

Our Journey Till Now

Since its Inception in 1970 we here at Asian are dedicated to serve happiness in every corner of the world, with an aim to develop a range of unique and distinctive products that cater to requirements of the Indian and Customers from all across the world. In its beginning itself the company made a distinguishing mark with its Corporate Gifting Solutions that included exclusive Novelty Gifts meant to add sparkle and elegance to every office and household.

All through our journey we have relentlessly emphasized and worked to become a customer-driven organisation. Our undisputed reputation is built upon the pillars of Quality, Innovation and Integrity. Today Asian brand is one of the most recognized houseware brands in the country "with its footprints spread all across the globe.

Best in class

For the last several years Asian has made its name to be the best in the business, this is attributed to our recurrent and progressive trust with our customers, efficient technological advancements, a steadfast focus on Total Quality Management and investment in customer satisfaction has propelled Asian to be the best in industry as a result, for that from time to time we have earned our due recognition and rewards, receiving highest nos. of highest export awards consecutively for years and years, which once ran for 19 years in consecutive.
